Donor Highlight: Nancy Murphy Bowles

"I chose to honor my mom because she is the greatest woman I think I'll ever know," said Nancy Murphy Bowles, who honored her mother, Luciana, with a contribution to Enlace Comunitario through our 2013 International Women's Day Campaign.

The campaign invites donors to honor women in their lives with a donation to Enlace Comunitario. Enlace Comunitario sent Luciana a lovely certificate with a personal message from Nancy. "When my mom received the certificate in the mail, she was very touched by it," said Nancy.

Nancy is married and the mother of three teen-aged boys. She works part-time as a bookkeeper and

paralegal and is the only community representative in New Mexico for the Pancreatic Cancer Action Network. Nancy lost her brother to pancreatic cancer last year. She says of her mother, "Even though she was losing her son, my mom was the strongest of all of us. When he died, she just kept going. I don't know how she does it."

Nancy believes that Enlace Comunitario is a wonderful organization and appreciates the opportunity to honor important women in her life each year during our International Women's Day Campaign.

March may be over, but it's not too late for you to honor a woman with your donation to Enlace. We will send her a beautiful certificate letting her know you've honored her.
