June 16th is Father's Day!

Fathers play a fundamental role in the elimination of domestic violence because the relationship between a dad and his children contributes to their self-esteem and success. Dads are role models who teach us humanitarian values.

**Congratulations to all of
the Fathers who assume
this very important role!**

For interested dads, we offer a responsible fatherhood class in Spanish. We also invite them to participate in our group *Entre Amigos*. Call us at (505) 246-8972 for more information.

Enlace Comunitario

Dear Friend of Enlace Comunitario,

This Father's Day at Enlace Comunitario we want to recognize all of the dads who work hard to raise their children and teach them to live without violence.

We invite you to celebrate this day with us by making the same pledge the men who graduate from our classes make,

"I promise not to commit, condone or remain silent about domestic and sexual violence."

If you want to learn more about how dads can join us in our work to eliminate domestic violence, talk to Sandro or Amilcar at (505) 246-8972, extension 28.

If you still don't have a gift for your dad or you want to give him something extra, consider making a donation to Enlace Comunitario in his name.
