MOTHER'S DAY IS THIS SUNDAY MAY 12!

Dear Friend of Enlace Comunitario,  
We invite you to celebrate this very special day  
with us.

If you don't have a gift for your mom or you want  
to give her something extra, consider making a  
donation to Enlace Comunitario in her name.

In addition to honoring a mom, your donation will  
enable Enlace Comunitario to continue providing  
life saving services to domestic violence victims  
and preventing domestic violence in the Latino  
immigrant community in Central New Mexico.

Certificates should arrive on time for Mother's  
Day if donations are recieved by Wednesday  
May 8th at 5pm. Make sure to note why you are  
honring this special mom when you make your  
contribution.
