Bequests & Life Insurance

Name Enlace Comunitario as a beneficiary in your will or living trust. A bequest may be for a specific dollar amount or a percentage of your estate.

Endowed Gifts

When you make an endowed gift, its long-term benefits can far exceed its original value. Principal value is never touched when the gift is invested, and an established percentage of its income is distributed annually for use by Enlace Comunitario.

Donor-Advised Funds

A donor-advised fund, or DAF, is a charitable investment account for the sole purpose of supporting charitable organizations. A DAF can be established at a local community foundation or through your preferred financial institution.

When you contribute cash, securities or other assets to a donor-advised fund, you are generally eligible to take an immediate tax deduction. Then those funds can be invested for tax-free growth, and you can recommend grants to be designated to Enlace Comunitario.

Annuities, Stocks, & IRA Gifts

Annuities, stocks, and IRAs allow you to leave a gift for Enlace Comunitario while earning income for yourself during your lifetime. These gifts are set aside in a reserve account and invested. Then, upon retirement, you receive a monthly or quarterly payout for the rest of your life. Finally, Enlace Comunitario will receive the remainder of the gift, after your passing.

Minimum gifts for establishing a charitable gift annuity may be as low as $5,000. For IRAs you can contribute between $6,000-$7,000 a year, and list Enlace Comunitario as a beneficiary. Annuitants may be eligible to take a tax deduction at the time of the original gift and a portion of the payments received may also be tax free.
